***FEEDBACK ANALYSIS OF FEEDBACK FORMS RECEIVED ON  
CURRICULUM FOR ACADEMIC YEAR 2023-24.***

Pune District Education Association's

## Shankarrao Ursal College of Pharmaceutical Sciences and Research Centre, Kharadi, Pune-14.

### FEEDBACK ANALYSIS ON CURRICULUM

#### 1.4.1 Institution obtains feedback on the academic performance and ambience of the institution from stakeholders such as Students, Teachers, Employers, Alumni etc. and action taken report on the feedback is made available on institutional website

Feedback system in the institute is well structured and is collected from various stakeholders including student, teacher, employer and alumni. Feedback about curriculum is collected from students, teachers, employers and alumni. Curriculum feedback & feedback on facilities are taken once in the year. The parameters / questionnaires in feedback are evaluated on a scale of 1-5. Considering the feedbacks received from respondents, the percent satisfaction and average score of each parameter/questionnaires is calculated. Suggestions from the stakeholders are considered and accordingly actions are taken by college to rectify the same. The feedbacks collected helps in providing & communicating suggestions with respect to revising of curriculum of the affiliating Savitribai Phule Pune University (SPPU,) Pune as well as also helps in conducting co-curricular and extra curricular activities for overall development and employability of the students. Based on the suggestions and feedback, various activities are planned or upgraded to meet the excellence.
